Omnipotent Game

Materials

☐ Beanbag or soft, spongy ball

Instructions

We are going to play a game now using our new word, "omnipotent." I want you all to say that after me. *Have the children repeat it several times.*

While standing in a circle, children will pass the beanbag or ball around the circle and each child will say one syllable of the word, om-ni-po-tent. When all the syllables have been said, everyone should shout out the whole word together OMNIPOTENT! and then shout out ALL-POWERFUL! Like this: om (pass) ni (pass) po (pass) tent (pass) OMNIPOTENT (pass) ALL-POWERFUL! (pass) and repeat. Keep going around the circle. Use variations like slower, faster, louder, softer, etc.

Suggested Discussion

? What is our new word? *Omnipotent.*

? Who remembers what our new word means? *All-powerful.*

? That's right! And who is the only one that is all-powerful? *God.*

Only God is omnipotent! Only God could create the whole universe just by speaking.
