

1. \_\_\_\_\_ with Scripture is a serious offense:
  
2. Does the \_\_\_\_\_ settle the argument?
  
3. To question creation brings all Scripture into \_\_\_\_\_:
  
4. So, what other option does the believer have for the origin of the universe other than divine creation?
  
5. What are the consequences if the Bible cannot be \_\_\_\_\_ when it speaks of the creation?
  
6. Was \_\_\_\_\_ a “real” person?
  
7. What are the consequences if we do not believe Adam was “real”?
  - Paul’s presentation of the \_\_\_\_\_ is flawed:
  
  - Paul’s presentation of the \_\_\_\_\_ is flawed:

8. So, why are there so many views concerning the biblical record of the creation?

9. What biblical piece of the puzzle are they willingly discarding that would make everything make sense?

10. Our downward spiral away from God's Word and toward decadence begins with a denial of the \_\_\_\_\_.
