②

---

③

1. God \_\_\_\_\_ and the universe was created.
2. The Hebrew word *yom* means \_\_\_\_\_.
3. A day is \_\_\_\_\_ hours long.
4. God created plants to reproduce after their \_\_\_\_\_.
5. An apple seed can only grow \_\_\_\_\_.
6. God created the entire universe in \_\_\_\_\_ 24-hour days.

# Class Notes Answer Key

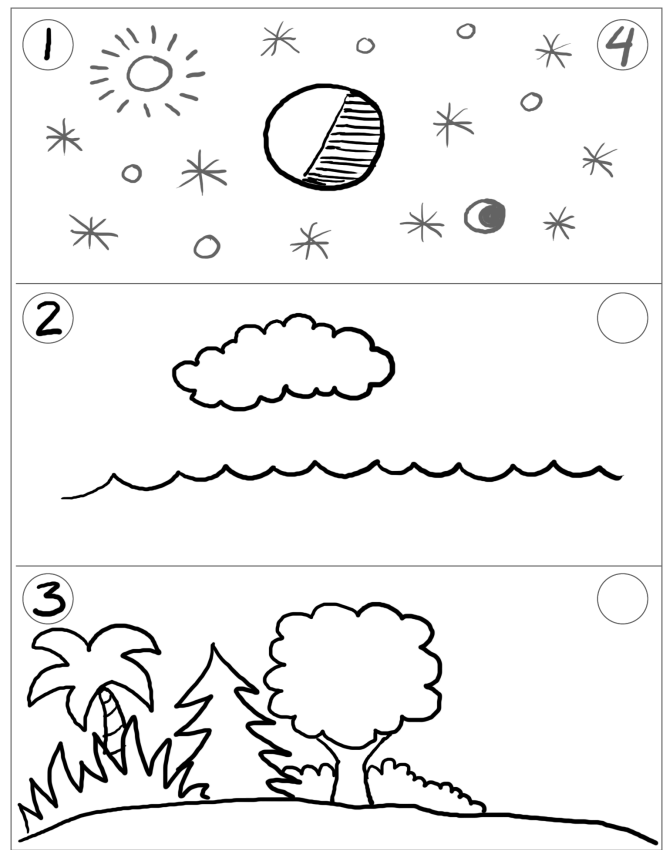

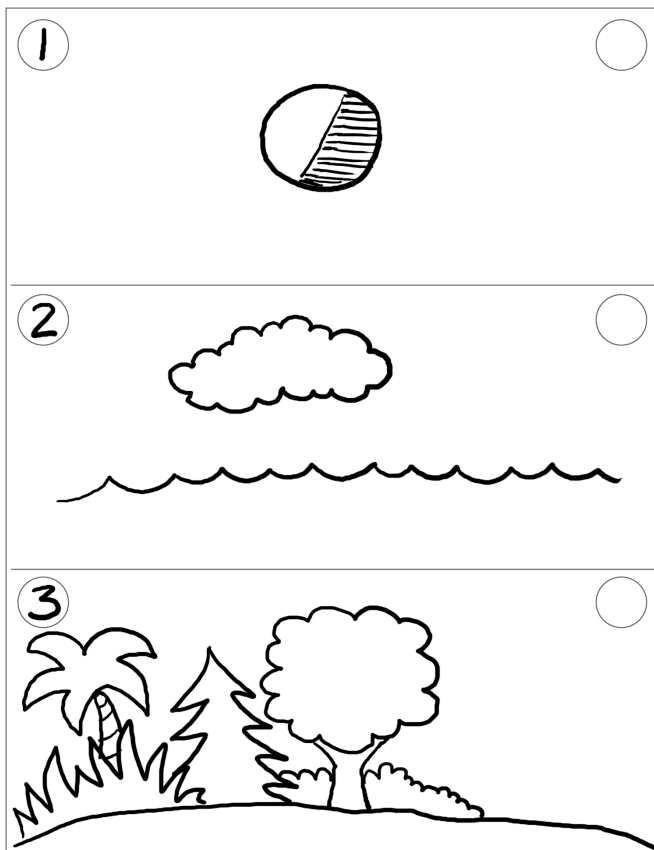

1. Use a poster board to draw the six days of creation during Lessons 13 and 14.
2. Divide the poster board into three equal areas using two horizontal lines and number the sections.
3. Explain that these three areas will be used to illustrate the events of the six days of creation.

Day 1 – Draw line down center of circle and color one side dark.

Day 2 – Draw clouds in the sky and waves along the bottom.

Day 3 – Draw an area of dry ground and put flowers, trees, and grass on it.

Day 4 – Add stars, planets, moon, and sun.

1. God *spoke* and the universe was created.
2. The Hebrew word *yom* means *day*.
3. A day is 24 hours long.
4. God created plants to reproduce after their *kinds*.
5. An apple seed can only grow *apples*.
6. God created the entire universe in six 24-hour days.
