Hosea 4:6

⁶ *My people are destroyed for lack of knowledge:*
because thou hast rejected knowledge, I will also
reject thee, that thou shalt be no priest to me:
seeing thou hast forgotten the law of thy God, I will
also forget thy children.

4. Coexisting with COVID-19

A. Cure - to eliminate a disease, condition, or injury, with medical treatment.

- When will it end? NEVER
 - 1918 Spanish Flu... the first H1N1 virus

B. Treatment:

- No established medication protocol at this time
- IMO: best outpatient treatment
 - HCQ
 - Azithromycin
 - Zinc
 - Steroids (my choice: inhaled – most effective)

Coexisting with COVID-19

C. Prevention/Protection:

- A Healthy Immune System... 40% COVID deaths in nursing homes
- Vitamins: D, C, A, Zinc, Exercise, Sunlight
- Vaccinations, do they work? No COVID vaccine at present
 - Flu vaccines: A-H1N1, A-H3N2, and others – 40-60% effective each year
 - MMR
- Physical distancing *I'm not always socializing*
- Masks... Do they even work?
- Psalms 91:3, 5-6 "Surely He will save you from the fowler's snare and from the deadly pestilence. You will not fear the terror of night nor the arrow that flies by day, nor the pestilence that stalks in the darkness, nor the plague that destroys at midday."

**“There is no reason to be walking
around with a mask.”**

“Wear a mask!”

people to see that that’s the kind of
thing you should be doing,”**

County Commissioners,

Just to let you know over the next week, the OSDH website will be reporting an increase in the COVID numbers in most counties due to the report will be including 'probable' COVID cases in addition to actual positive cases as confirmed by test results. This will increase local county Covid numbers overnight. However these cases may be cases which date as far as March. However, since the increase will appear overnight and may cause your community some concern and some questions for you, I just wanted you to be aware.

Secondly, within the next few weeks, the methodology for calculating the positivity rate (this is of the number of Covid tests being conducted, how many are positive for Covid) is being changed. Soon Oklahoma will follow the methodology supported by the majority of other states by the Johns Hopkins University of Medicine. This is so that equal comparisons can be made between the States. More information can be found at this website. <https://coronavirus.jhu.edu/region/us/oklahoma>

Additional information will be coming out on these changes and a press release should occur next week, but I wanted to give you an advanced notice.

Please let me know if you have any questions, or need additional information.

We disrupt the Western-prescribed nuclear family structure requirement by supporting each other as extended families and “villages” that collectively care for one another, especially our children, to the degree that mothers, parents, and children are comfortable.

A black and white portrait of Karl Marx, showing him from the chest up. He has a full, white beard and long, wavy white hair. He is looking slightly to the right of the camera with a serious expression. The background is dark and textured.

Three steps:

1. Perpetual conflict

2. Negation (death)

3. Transformation (change)

Paid agitators (community organizers) to stir perpetual conflict.

The Marxist is looking for anything in which to create conflict. School choice v Teacher's Unions, LGBT v. Straight, Women's equality v. male dominance, open borders v secure borders, Pro-life v. abortion, Occupy Wall Street: 99% v 1%, and of course black v. white even the controversy of wearing a mask v. no mask.

The issue is never the issue.

The issue *IS* the

REVOLUTION!

Marx and Engels strategy:

Employ **PAID AGITATORS** to stir **PERPETUAL REVOLUTION**
