

"We are locked in a _____. This is not a friendly, gentleman's discussion. It is a life and death conflict between the spiritual _____ of _____ and those who claim the name of Christ." Francis A. Schaeffer

"You have established a new relationship with the _____. Whatever you were before you were a Christian... you are now a sworn _____ of the _____. Have no delusions about their reality or their hostility ..."

John White

We speak of Devil's food cake, deviled ham, and call football teams the Devils. People like to make the devil laughable, but he is a very real enemy. It has always been the Devil's purpose to pull the veil of darkness over his kingdom and to have his existence denied for a while, but his goal always has been to be worshipped, so sooner or latter he will show himself and demand worship. It is important that we understand who the Devil is because if there is no concept of our enemy then there will be no preparation for the war. How is our enemy described?
