Government

GOV'ERNMENT, *noun* Direction; regulation. These precepts will serve for the *government* of our conduct.

1. Control; restraint. Men are apt to neglect the *government* of their temper and passions.
2. The exercise of authority; direction and restraint exercised over the actions of men in communities, societies or states; the administration of public affairs, according to established constitution, laws and usages, or by arbitrary edicts. Prussia rose to importance under the *government* of Frederick II.
3. The exercise of authority by a parent or householder. Children are often ruined by a neglect of *government* in parents.

Let family *government* be like that of our heavenly Father, mild, gentle and affectionate.

Isa 61:1-4

The Spirit of the Lord God is upon me; because the Lord hath anointed me to preach good tidings unto the meek; he hath sent me to bind up the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to them that are bound; To proclaim the acceptable year of the Lord,

(Now – Hidden in OT)

...and the day of vengeance of our God; to comfort all that mourn; To appoint unto them that mourn in Zion, to give unto them beauty for ashes, the oil of joy for mourning, the garment of praise for the spirit of heaviness; that they might be called trees of righteousness, the planting of the Lord, that he might be glorified. And they shall build the old wastes, they shall raise up the former desolations, and they shall repair the waste cities, the desolations of many generations.

And he shall judge among many people, and rebuke strong nations afar off; and they shall beat their swords into plowshares, and their spears into pruninghooks: nation shall not lift up a sword against nation, neither shall they learn war any more.
