BIBLE AND ECONOMICS

8. **Greater the government, the greater the poverty. The greater the freedom, the greater the wealth.**

Government doesn't create jobs; they can only inhibit job creation with taxes and regulations.

The government doesn't produce anything it simply takes efficient money out of the economy. The greater the government, the poorer the people..

Of every "three dollars in food stamps for the needy, seven dollars in salaries and pensions (go to) the bureaucrats who are supposed to be taking care of the poor."

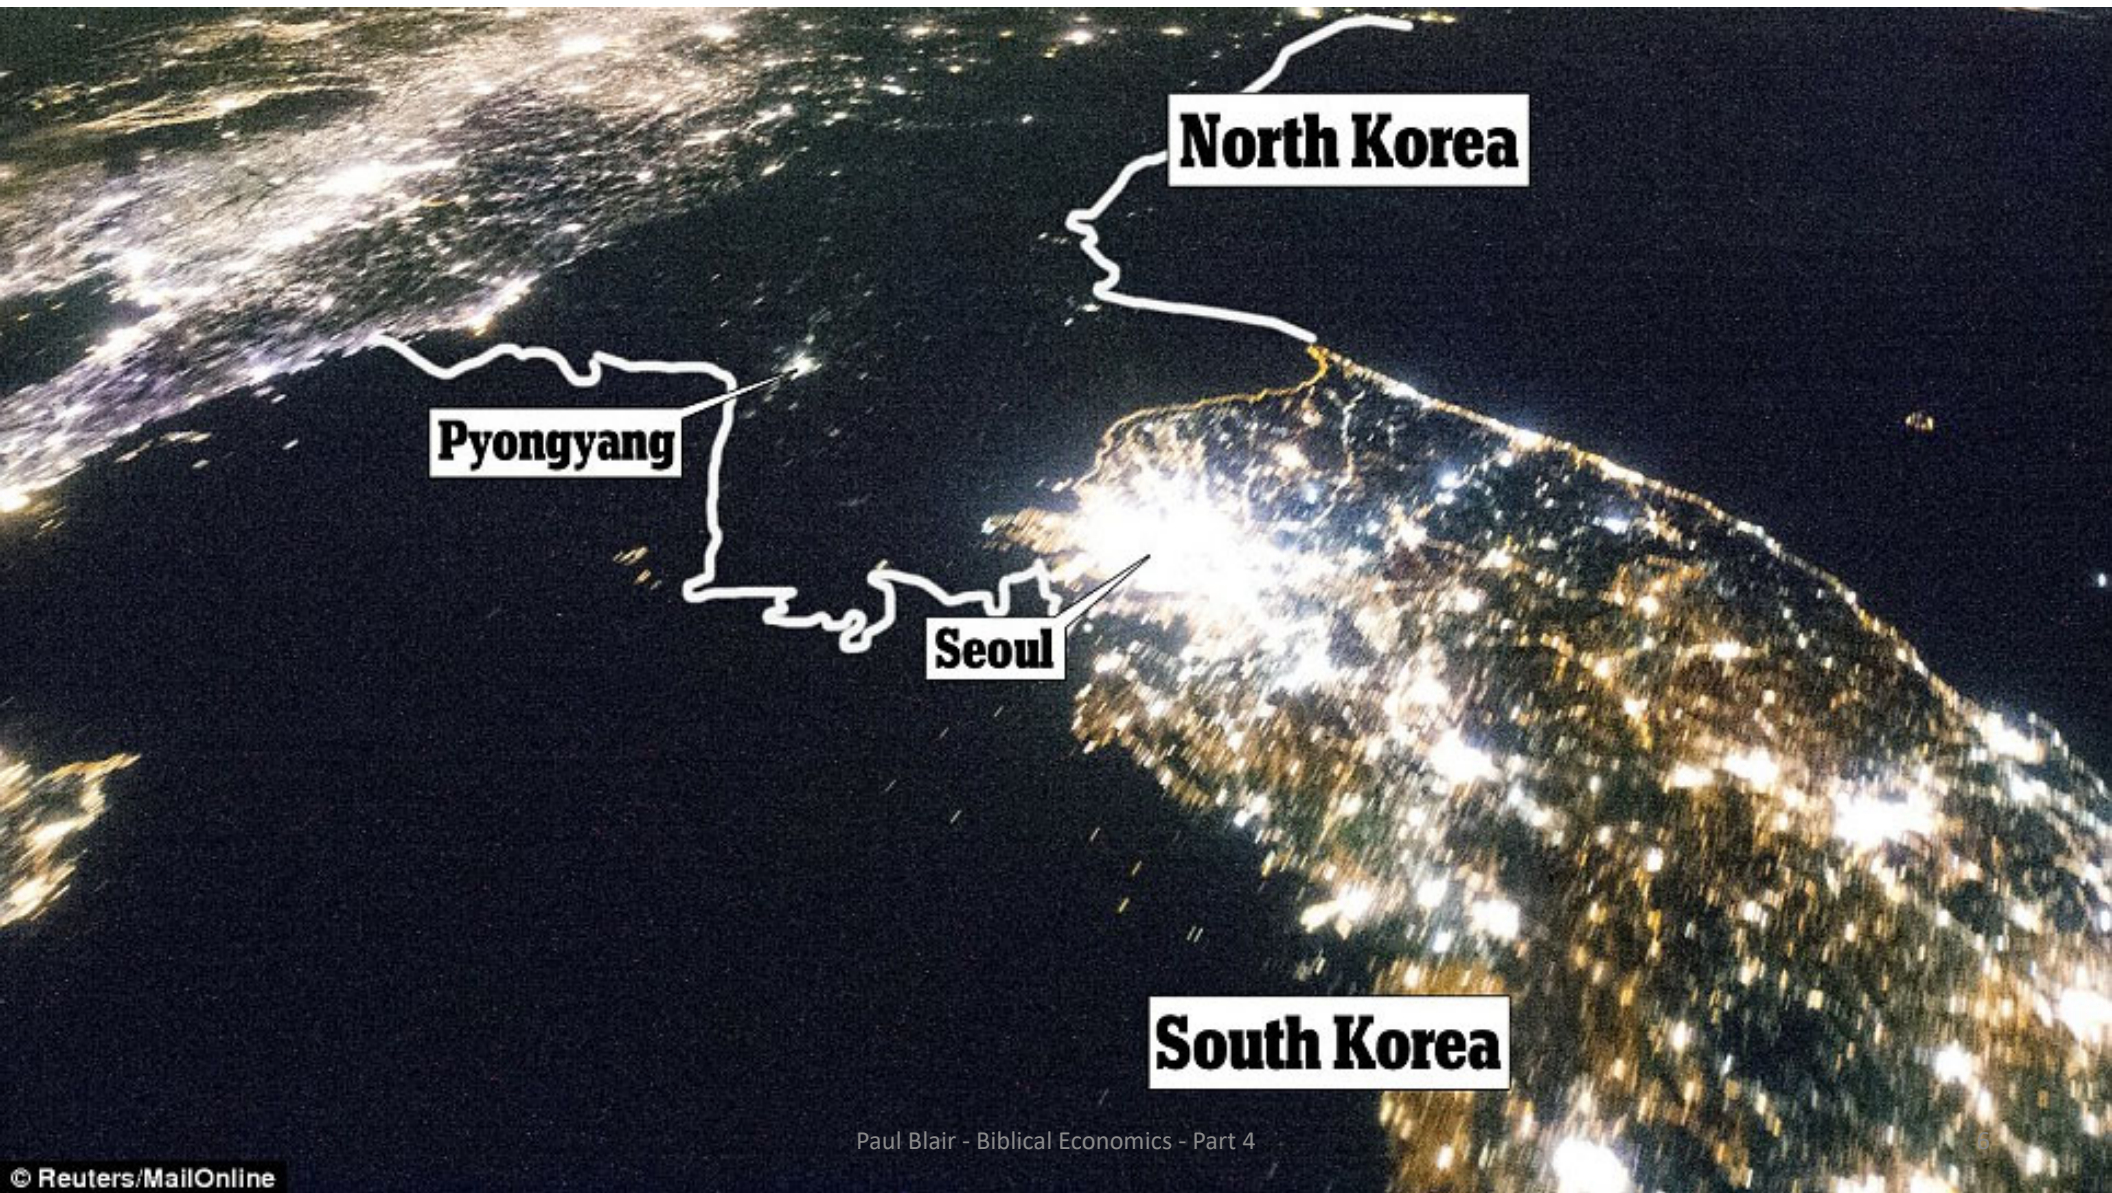

— Michele Bachmann on Saturday, March 16th, 2013 in a speech at the conservative CPAC conference.

Paul Blair - Biblical Economics - Part 4

2018

Let the *wicked* forsake **his way**, and the *unrighteous* man **his thoughts**: and let him return unto the Lord, and he will have mercy upon him; and to our God, for he will abundantly pardon. **For my thoughts are not your thoughts, neither are your ways my ways, saith the Lord. For as the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts.**

The meeting provided the world with a badly needed post war currency stability.
