

In the end, there are only _____ possibilities for everything that exists:

- It has _____ existed and is _____
- It had a _____ and was _____ by something or someone else

Time: infinite or finite?

1. An infinite number of days has _____
2. But today is the _____
3. Tomorrow is an _____ to time

Kalam Cosmological Argument:

1. Everything that _____ has a cause
2. The _____ began to exist
3. Therefore, the universe must have _____

But what could have been that cause?

What caused God?

- God has _____ because He never _____ – He is _____
- He is the _____

If there is no God, why is there _____ rather than _____ at all?

Either _____ created _____ out of _____ or _____ created _____ out of _____
